NEWS RELEASE

**URANIUM INTERNATIONAL CORP. ENTERS INTO FORMAL OPTION  
AGREEMENT WITH TRANS ATLANTIC METALS AG FOR MINERAL LEASES ON  
FOUR URANIUM PROPERTIES IN SWEDEN**

DENVER, CO, Nov. 20, 2009 - Uranium International Corp. ("Uranium International") (OTCBB: URNI) has acquired an option to earn up to an 80% undivided interest in four mineral properties in Sweden from Trans Atlantic Metals AG (the "Optionor") and T.A. Metall, Sweden AG. The Option Agreement is subject to a 3% NSR royalty .

According to the terms of the Option Agreement, Uranium International will acquire a lease option in the Björklund Property, the Labbas Property, the Märsviken Property and the Staverberget Property (collectively called the "Properties") located in the Kingdom of Sweden, including all rights, licenses, and permits.

The exploration work program is expected to commence in early 2010 as weather conditions permit. The properties are characterized by available data as having been drilled by government agencies and found to contain uranium mineralization. Any such mineralization has not yet been classified under National Instrument 43-101 guidelines. Management is aware of 130 drill holes completed on the Properties.

Uranium International has focussed all of its efforts on moving its properties into a work program in Sweden, which has been increasingly amenable to resource mining and provides a positive outlook on its uranium mining industry.

Under the terms of the Option Agreement, in order to exercise the first Option for a 51% interest, Uranium International must:

- (a) pay the Optionor \$25,000 at the date of execution of the Option Agreement and \$25,000 per year until the Option is exercised:
- (b) issue to the Optionor a total of 100,000 shares of Uranium International ;  
and
- (c) incur exploration expense of \$700,000 .

Following the exercise of the first option, in order for Uranium International to exercise the second option for an additional 29% (for a total of an 80% interest), it must incur a further \$3,000,000 of exploration expense.
