NEWS RELEASE

URANIUM INTERNATIONAL CORP. APPOINTS RAHIM JIVRAJ AS PRESIDENT, CEO AND DIRECTOR OF THE COMPANY

Denver, CO., April 16, 2010 - Uranium International Corp. ("Uranium International") (OTCBB: URNI) has accepted the appointment of Rahim Jivraj as President and CEO of the Company. Mr. Jivraj will also join the Company's Board of Directors .

Mr. Jivraj has been an entrepreneur for over ten years, in Venture Capital for eight years and has assisted various private and public entities as a corporate advisor on matters related to finance, development and investor relations.

Mr. Jivraj was associated with two boutique venture capital and merchant banking firms, based in Vancouver, Canada before leaving to pursue independent ventures in 2008.

From September 2007 to February 2008, Mr. Jivraj was President and Director of Mainland Resources Inc., a publicly traded company on the Over The Counter Bulletin Board that transacted a successful oil and gas exploration opportunity with a focus on the Haynesville Shale. From March 2007 to November 2008, he was the founding CEO and Director of Spring & Mercer Capital Corporation, a Toronto Stock Exchange Venture listed Capital Pool Company whose primary objective was to seek business opportunities for public equity financing. He has also served on the board of Afrasia Mineral Fields and Hastings Resources, both listed on the TSX Venture Exchange.

Mr. Dev Randhawa will resign as Interim President and Chief Executive Officer effective immediately. The Board wishes to thank Mr. Randhawa for his service as President and CEO during the transition period. Mr. Randhawa will continue as a director on the Company's Board.

statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and should be viewed as "forward-looking statements". Such forward looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such risks and other factors include, among others, the actual results of exploration activities, variations in the underlying assumptions associated with the estimation or realization of mineral resources, the availability of capital to fund programs and the resulting dilution caused by the raising of capital through the sale of shares, accidents, labour disputes and other risks of the mining industry including, without limitation, those associated with the environment, delays in obtaining governmental approvals, permits or financing or in the completion of development or construction activities, title disputes or claims limitations on insurance coverage. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release and in any document referred to in this news release.

Forward looking statements are made based on management's beliefs, estimates and opinions on the date the statements are made and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, except as required by applicable law. Such forward-looking statements reflect our current views with respect to future events and are subject to certain risks, uncertainties and assumptions, including, the risks and uncertainties outlined in our most recent financial statements and reports and registration statement filed with the United States Securities and Exchange Commission (the "SEC") (available at www.sec.gov) and with Canadian securities administrators (available at www.sedar.com). Such risks and uncertainties may include, but are not limited to, the risks and uncertainties set forth in the Company's filings with the SEC, such as the ability to obtain additional financing, the ability to manage growth, acquisitions of technology, equipment or human resources, the effect of economic and business conditions, the ability to attract and retain skilled personnel and factors outside the control of the Company. These forward-looking statements are made as of the date of this news release, and the Company assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although the Company believes that the beliefs, plans, expectations and intentions contained in this news release are reasonable, there can be no assurance those beliefs, plans, expectations or intentions will prove to be accurate. Investors should consider all of the information set forth herein and should also refer to the risk factors disclosed in the Company's periodic reports filed from time-to-time with the SEC. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
